## Supplementary to Assurance Letter for CERT-13847

Lower Than

Date:

22/09/2025

*Disclaimer: This file is not valid without an accompanying verification letter.*

\*Multiple comparator products were used for the comparison. The value of the comparator product used relates to the comparator with the lowest footprint ('Stock Towel') for the relevant region.

\*\*There are multiple countries within each region. These results relate to the largest country-specific footprint within the region, and therefore the minimum lower than %.

Product	Stock Keeping Unit	Geographic Area - Region	Net gCO2e not rounded per pair of hands dried		Lower by (%)
